

Prairie Village Homes Association

August 26, 2007

Members Present: Susan Britton, Bill Chinnery, Sharon Chinnery, Susan Forrest, Dick Haun, Michelle Nash, Jori Nelson Susan Spencer Ashley Weaver

The meeting was called to order at 5:00 pm by Susan Forrest, President.

Regrettably, long-time Director Brent Muecke has resigned from the PVHA Board of Directors. His emailed resignation is attached.

The Board met to hear the results of Ms. Ford's research and to vote on whether to proceed with the legal action concerning 4101 Prairie Lane.

To date, there is still no evidence that Mr. Eddy has purchased additional footage necessary to meet the width restrictions.

Ashley Weaver read the definition of 1 ½ story as researched and submitted by architectural historian Sue Ford. There was a brief discussion and the matter of whether to continue court proceedings to halt the construction of the Colonial style home at 4101 Prairie Lane, which is considered to be out of compliance with width and 1 ½ story deeds restrictions, was put to a vote. The results of the vote to proceed with the court action are as follows:

- 7 in favor of continuing the court action
- 1 against continuing the court action
- 1 abstention

Respectfully submitted,

Sharon Chinnery, Secretary
