to help our neighborhood—from maintenance and upkeep, to fun social events everyone can enjoy.

The Watershed project is underway and affecting many of us. You should read the article and be informed how the repairs and upgrades will affect you. From street closures to tree removals, sidewalks and backyards; you need to be aware of the changes.

our Board is working diligently

President's Letter by Gina Valentino

Our security patrol is actively working to patrol during the day and later evening hours. The goal is to help keep eyes on our neighborhood when most of us cannot. If you

see anything suspicious or are concerned, call the non-emergency number (816) 234-5111. You can always call 911. The operator will prioritize the call.

Thank you for the record-number of neighbors who joined the Annual Picnic. How much fun did all of the kids have with the big fire truck? And all of us enjoyed delicious burgers and brats (thanks JT and JRussler's Premium Meats) with plenty of fixins' and lots of side dishes.

The Mever Boulevard Columns are very likely to be restored thanks to the extraordinary work of past president, Kathie Allison. She worked with the local churches, the Brookside Merchants Association, and several generous homeowners to develop a proposal for PIAC funding. The city is poised to provide the rest of the funding.

And if you have not paid your annual dues, you will be receiving a notice in the mail. Without your contribution, we run a deficit. From snow removal on each of our streets to picking up the garbage at Strawn Park, or the Annual Picnic to the Annual Meeting, the budget is carefully developed to the penny and all pennies are needed!

Enjoy Greenway Fields

Greenway Fields

HOMES ASSOCIATION NEWS • KANSAS CITY, MO 64113 • SEPTEMBER 2008

Project Alert

he City of Kansas City is currently working on Phase 3B of the Brookside Watershed Project. Some homeowners in Greenway Fields Homes Association may be affected by this project, and some streets will be closed at various times throughout the project. For more information about the Brookside Watershed Project, visit http://www.kcmo.org/water.nsf/web/ default?opendocument If you have specific questions or concerns about the project, please contact Karine Papikian, Project Manager of the Brookside Watershed Project, directly at (816) 513-0300.

Homeowners should also know that this project may require that various trees in Greenway Fields Homes Association be removed. If you have a tree that has been marked with an "X," your tree may be targeted for removal. Karine Papikian has indicated that the City would like to proceed by preventing damage to as many trees as possible. If you would like to contact the City to see if it can proceed without affecting your tree(s), contact Karine Papikian at the number above.

Please note that the Greenway Fields Homes Association and its Board of Directors are not involved in the Brookside Watershed Project. All questions, comments, and concerns about the project should be directed to Karine Papikian.
